## ■ MAIA FIRMING CONCENTRATE – 125 ml

### FIRMING BODY SERUM

A concentrated serum specially designed to have a toning and elasticizing effect. It contains exclusive Peptides obtained from Pea Extract, Echinacea, and Vitamin E.

It improves the texture of the skin leaving it soft, silky and firm.

#### FUNCTIONAL ACTIVE INGREDIENTS:

**Echinacea:** it has a re-epithelizing, elasticizing, toning and antiseptic action.

**Hypericum:** it has a stimulating and toning action.

**Witch hazel:** it has an astringent, toning and soothing action.

**Peptides obtained from Pea Extract:** this is a plant complex that helps combat the degradation of the skin's elastic fibers, while maintaining the correct firmness of the areas treated. It acts with a tensor effect on the tissues, strengthening the firmness and elasticity of the skin.

**Marine Collagen:** it provides support and resistance to the entire skin structure, and has a compacting, moisturizing, elasticizing and protective action to prevent skin ageing.

#### HOW TO USE:

Apply on the area to be treated and massage until it is completely absorbed.
