## INTENSIVE ANTI-AGEING FACE PRODUCTS

# TEIA LINE

The Mother of the sun and of the moon, associated with splendour, gives her name to the Anti-Ageing Line. A complete anti-ageing treatment, ideal for preventing and effectively combating the most obvious "traces" of time passing: wrinkles and sagging skin.

Used daily, in just a few weeks, you can regain a more relaxed face, greater skin density and a more even and radiant complexion.

## ■ TEIA ANTI-AGE CONCENTRATE – 50 ml

### SERUM WITH FILLER ACTION

Exclusive serum formulated with active Liquid Crystals able to increase the absorption of the functional substances. Enriched with Hyaluronic Acid bio microspheres that exert a filler effect with an anti-age action.

#### FUNCTIONAL ACTIVE INGREDIENTS:

**Microspheres of dehydrated low-molecular-weight Hyaluronic Acid combined with high-molecular-weight polysaccharides:** they penetrate the upper levels of the epidermis, capturing the water that normally evaporates from the skin and exploiting Hyaluronic Acid's ability to act as a sort of 'molecular sponge'.

In this way they exert pressure that pushes the epidermis upwards, thus reducing the deepest wrinkles with a filler effect.

**Stabilized Vitamin C microlipids:** they inhibit melanogenesis, protect against photo-toxicity and stimulate collagen synthesis. They have an illuminating action. In Microlipid form, it has a structure similar to cell membranes, prolongs its bioavailability and is better absorbed into the skin.

**Argan Oil:** it has antioxidant, emollient, moisturizing and highly elastic properties. Thanks to its content of various essential fatty acids, it has an intense nourishing action.

#### HOW TO USE:

After a careful cleansing, apply a thin layer of the product and massage until it is completely absorbed. Alternatively, Teia Filler Effect Concentrate can be delivered with the aid of Transdermal Vehiculation or Oxygen stimulation technologies.

## ■ TEIA ANTI-AGE FILLER CREAM – 50 ml

### CREAM WITH FILLER ACTION

Soft emulsion with gold microparticles that help to prevent the formation of lines and permits their attenuation, restoring, day after day, skin natural firmness, flexibility, vitality and tone.

#### FUNCTIONAL ACTIVE INGREDIENTS:

**Apple Plant Stem Cells:** they promote cell regeneration and improve skin firmness. They also protect against UV rays.

**Marine chamomile:** it performs a myorelaxant (botulinum-like) action for 24 hours and it also has anti-radical and anti-wrinkle activity. It is tested to stimulate the synthesis of Collagen and Glycosaminoglycans.

**Vitamin C microlipids:** they prevent the appearance of spots and dyschromia. They protect against photo-toxicity and stimulate collagen synthesis. They have an illuminating and anti-oxidant action.

**Unsaponifiable from olive oil:** it has nourishing, emollient and repairing action.

**Shea butter:** rich in unsaponifiable fractions, it contains Sitosterols, Vitamins and it has an intense soothing and nourishing action.

**Wheat germ oil:** it has nourishing, emollient and protective action.

#### HOW TO USE:

After cleansing perfectly, apply a small quantity of cream and massage until complete absorption.

## ▪ TEIA ANTI-AGE SERUM – 30 ml

### ANTI-AGE SERUM

A serum that helps prevent the formation of wrinkles and reduces them, restoring the skin's natural firmness, elasticity, vitality and tone day after day.

#### FUNCTIONAL ACTIVE INGREDIENTS:

**Gold micro-particles combined with a biotechnological peptide:** they have an effective anti-wrinkle action as well as an elasticizing and moisturizing action. This active ingredient has a remarkable effect on the synthesis of Collagen I (+ 230,49%) and Collagen III (+ 205,33%).

**Marine chamomile:** it performs a myorelaxant (botulinum-like) action for 24 hours and it also has anti-radical and anti-wrinkle activity. It is tested to stimulate the synthesis of Collagen and Glycosaminoglycans.

**Liposomes of Hyaluronic Acid:** it helps reduce wrinkles by giving volume and exerting a moisturizing, smoothing and restructuring action. It gives the skin a more youthful and relaxed appearance.

#### HOW TO USE:

After a careful cleansing, apply a thin layer of the product and massage until it is completely absorbed.

## ▪ TEIA ANTI-AGE MASK PODS&LOTION – 12 MASK PODS + 125 ml

### ANTI-AGE MASK AND LOTION

It contains 12 pcs of mask pods. 100% viscose. It is a concentrated serum formulated with Cassia polysaccharides, Marigold mucilage and a special quaternized Guar gum to increase skin radiance with an anti-ageing and moisturizing action. It leaves the skin smooth, soft and silky.

#### FUNCTIONAL ACTIVE INGREDIENTS:

**Cassia Angustifolia seed Polysaccharides:** they increase the radiance of the skin and have an anti-ageing effect. They have a long-lasting moisturizing action by increasing the capacity of the stratum corneum to retain water. They improve the suppleness and elasticity of the skin, guaranteeing optimal protection. It is a plant-based alternative to Hyaluronic Acid.

**Marigold Mucilage:** it has an anti-inflammatory, soothing, moisturizing and nourishing

**Quaternized Guar Gum:** it is a cationic polymer with a multi-protective film-forming action that has an emollient and softening effect on the skin.

#### HOW TO USE:

Pour 10 ml of Teia Anti-Age Lotion in the measuring cap and immerse the Teia Anti-Age Mask Pod into it. The pod will begin to swell. When all the liquid will be absorbed, unroll it and apply to the face. Leave on for 10 to 15 minutes and remove.

#### PLEASE NOTE:

For those who have at disposal the Transdermal Vehiculation or Oxygen stimulation technologies, it is possible to work the mask with these technologies.

## ▪ TEIA ANTI-AGE MOUSSE – 150 ml

### ANTI-AGE MOUSSE

An extremely soft and pleasant moisturizing mousse that facilitates the natural cellular turnover. It contains Echinacea, Ginseng and Equisetum extracts. It provides, in a single act, an optimal cleansing, toning and moisturizing effect allowing the skin to be perfectly cleansed.

#### FUNCTIONAL ACTIVE INGREDIENTS:

**Ultra-delicate and dermo-compatible surfactants:** clinically tested, they gently cleanse the skin and provide an exceptional velvety touch.

**Equisetum extract:** thanks to its important use of mineral salts, it carries out a remineralizing action favoring the formation of elastic fibers.

**Ginseng extract:** known for its revitalizing, toning and microcirculation stimulating action.

**Echinacea extract:** it has a re-epithelising, elasticising, toning and antiseptic action.

**Lactic Acid:** an alpha hydroxy acid (A.h.a.) with an exfoliating action. It stimulates the skin to regenerate by promoting skin cell turnover. It normalizes the pH of the skin.

#### HOW TO USE:

Apply a small amount of mousse on the damp or dry area to be treated. Massage to remove impurities, then rinse and dry gently without rubbing.
