

SELENE

SENSITIVE SKIN FACE PRODUCTS

SELENE

LINE

From the lunar goddesses associated with delicacy and purity comes the sensitive skin line. It represents a specific line for the treatment of sensitive skin indeed.

A line formulated with non-aggressive active ingredients such as: Horse chestnut (soothing, inflammatory action), Chamomile (calming action), Vitamin e (antioxidant action) and Acetyl Tetrapeptide-15 (it reduces nerve responses to external stimuli, thus increasing the skin's tolerance threshold).

SELENE

■ SELENE SENSITIVE CONCENTRATE – 50 ml

SERUM FOR SENSITIVE SKIN

A serum rich in emollient, soothing and softening substances. Restores evenness, elasticity and softness to the skin.

FUNCTIONAL ACTIVE INGREDIENTS:

Butcher's Broom, Centella Asiatica, Marigold, Horse chestnut, Liquorice, provitamin B5, hydrolyzed yeast protein: a synergistic combination of functional active ingredients, tested to have a relevant reinforcement activity to capillary wall, anti-perforated, anti-reddening, soothing and calming activity.

Acetyl Tetrapeptide-15: it reduces nerve responses to external stimuli. It increases the skin's tolerance threshold

Hyaluronic Acid with Ultra-high molecular weight: it soothes, heals, moisturizes and it is anti-inflammatory. It facilitates the physiological processes of tissue repair by stimulating the immune system.

Provitamin B5: it has a moisturizing, soothing, restructuring and nourishing action.

Allantoin: it has a moisturizing and soothing action. It stimulates tissue repair processes leaving the skin soft, elastic and velvety, protecting it from external aggression.

HOW TO USE:

After a careful cleansing, apply a thin layer of product and massage until it is completely absorbed. As an alternative, Seline Skin Concentrate can be delivered with the aid of Transdermal Vehiculation or Oxygen Stimulation technologies.

SELENE

▪ SELENE SENSITIVE CREAM – 50 ml or 200 ml

CREAM FOR SENSITIVE SKIN

A light, creamy emulsion rich in emollient, soothing and softening substances. It restores evenness, suppleness and softness to the skin.

FUNCTIONAL ACTIVE INGREDIENTS:

Acetyl Tetrapeptide-15: it reduces nerve responses to external stimuli. It increases the skin's tolerance threshold

Apple Plant Stem Cells: they protect us against UV ray, they delay the senescence of essential cells, combat ageing and preserve the youthfulness and vitality of the skin

Horse chest

: **anti-reddening**, soothing, strengthening and vaso-protective action. It improves the skin microcirculation.

Chamomile: it has a calming, anti-reddening and soothing action.

Vitamin E: it has an antioxidant effect, protecting the skin from ageing caused by the formation of free radicals.

Shea butter: rich in unsaponifiable fractions, it contains Sitosterols, Vitamins and has an intense soothing and nourishing action.

Sesame oil: with a high composition of polyunsaturated fatty acids (linoleic and linolenic), it has an emollient and repairing action.

Sun filter: latest-generation sun filters to protect the skin from the aggressiveness of UVA and UVB rays.

HOW TO USE:

After a deep cleansing, apply a thin layer of product and massage until it is completely absorbed.
